5

*I absolutely loved my tutorial and Aditya was the best tutor! I appreciated that he took my feedback in the beginning of our tutorial to create a syllabus that would reflect what I wanted out of my business tutorial. He was kind and explained concepts patiently. He made my experience with the tutorial incredibly positive.*

5. What were the best things about the tutorial?

*Being able to break down large words or concepts into something simple was amazing. I now feel like I can build on what Aditya introduced me to.*

6. What improvements, if any, would you suggest if this tutor were to give this tutorial again?

*I think I could have gotten more work, but I think having one topic to focus on every week really allowed me to understand it.*
